

Monica Dewi

Cost Engineer

Contact

- Address: 200 Adelaide St Brisbane
- Phone: 0400000000
- Email: mcd1802@yahoo.com

Education

Chemical Engineering - Bachelor Degree

Univ Parahyangan Indonesia

Working Experience

- BHP - BMA
- Bechtel
- SNC Lavalin - Goro Nickel Project

Computer Literacy

- Spotfire
- ePCworks – Bechtel software
- SAP
- Oracle
- PRISM
- Primavera
- HTML/CSS

Skills

- Cost Engineering
- Project Controls
- EPCM
- Earn Value Management

PROFESSIONAL SUMMARY

Analytical Cost Controller/ Cost Engineer/ Engineering Planner that has experiences in mining industry, mining projects (Bechtel and Goro Nickel Project) and petrochemical industry. Experiences in different type of project phases such as such as feasibility study, engineering, construction and commissioning, with engineering background. Equipped with good analytical data skill and good interpersonal skill to satisfy client and achieve company goals. Interested in utilizing the technology on analyzing data. At the moment I am building Spotfire for PDM & CVM Engineering team

HIGHLIGHTS

- Cost controls / cost management
- Forecasting/budgeting
- Accrual, reconciliation & allocations
- Managing and manipulating large amounts of data
- Analysing data
- EPCM service
- Contract monitoring
- Engineering planning
- Earned Value Management
- Progress and performance monitoring (eg. S-Curve, cost/schedule performance index)
- Oracle, Prism and Primavera experience
- Spotfire
- HTML/CSS

PROJECTS

- Newsletter
- Cohort
- Dashboard

PERSONAL PROFILE

- Beginner/Intermediate skills in Spotfire
- Advanced skills in Ms. Excel (eg. Pivot table & graph, formula, manipulating data, etc.)
- Advanced skills in other MS Office program (MS Word and MS Access)
- Strong analytical data skills
- Attention on detail
- Working effectively under a great deal of pressure
- Fast learner and willing to learn new skills
- Team player

OTHER INTEREST

- Swimming
- Reading
